Collecting your daughter

Please come and queue 2m apart, outside the building. Girls will be let out from the back gate which, is to the right of the main entrance.

Symptoms or told to self-isolate

If your daughter has been in contact with anyone who has COVID-19 or, has been told to self-isolate from school then, she is **not** to attend Rainbows until the self isolation period is over.

Parents must be contactable throughout the meeting.

Thank you for your cooperation.
